

Dear Customer,

we offer you the opportunity to let our fabric also be processed.

For this we only need some information from you.

On the following pages, you have several options for processing.

We will gladly make you a no obligation, free for you, offer to the sewing and the fabric that is needed.

## 1. Side Scarfs:

Side scarfs can serve not only for decorative purposes, but can also be a visual barrier.

At the same time it gives a nice overall picture if you hang matching net curtains left and right

next to the decorative curtains.

## 2. Panel curtains

Panel curtains are an excellent view-protection for your windows.

These are also often used as a room divider.

With us you have the option to receive curtains trimmed, sutured and provided with a loop tape. If you do not have devices (rail and panels) you can get the curtains in one complete package from us. There, the complete technology for assembly is included.
